

INTRO FROM DARREN & BECK

21 Days of Increase is about taking a dramatic change in the way we view ourselves in God's eyes, that God actually has 'pleasure in the prosperity of His servant' (Ps 35:27- NKJV). We are God's delight, the apple of His eye, his highest creation and God loves it when His people are prospering in all things.

21 Days of Increase is not about demanding more of God's blessing in our lives. Instead it involves declaring and praying, listening and obeying, faith combined with faithfulness so that we can walk in more of God's blessing. When Jabez asked God to bless him, it happened! (1 Chron 4:9-10)

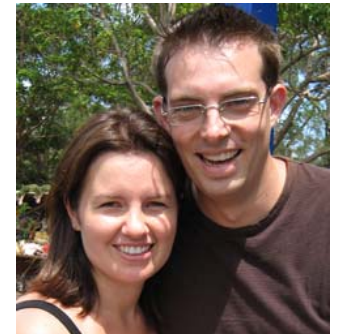

Over the next 21 days we're going to grab a hold of the creative power of declaration and combine it with the power of prayer to see increase take place in our church and in every area of our lives. We're going to declare increase, believe for increase then be open to God guiding us into increase through open doors and by correcting our actions and beliefs.

As we've learned, nothing grows without faithfulness. Through these 3 weeks we don't absolve ourselves from responsibility and simply declare increase. Instead we work **with God** to bring about increase.

We believe that by openly declaring God's blessing, prosperity and increase over these next 21 days that we're going to see remarkable things take place. Come with us on this short journey and let's see what takes place.

With you in faith,

Love Darren & Beck
